

## CURRICULUM VITAE

### Personal

Eric RULLIER

Address: Colorectal Unit, Department of Surgery, Haut-Lévêque Hospital, 33600 Pessac, France

Nationality: France

### Main responsibilities

- ✓ Head of the Department of Surgery, Saint Andre Hospital, University of Bordeaux, F (2011-2016)
- ✓ Chairman Colorectal Unit, Magellan Center, Haut-Lévêque Hospital, University of Bordeaux, F (since April 2016)
- ✓ President of the GRECCAR (2008-2013)

### Education and Academic degrees

1980	Medical school	University of Bordeaux
1986	Residency	General and Digestive Surgery, Bordeaux
1991	Graduated	Digestive surgery, University of Bordeaux
1995	Consultant	Colorectal Surgery, University of Bordeaux
2001	Professor of Surgery	Saint-Andre Hospital, University of Bordeaux

### Membership

- European Society of Coloproctology (ESCP), Education board
- European Society of Coloproctology (ESCP), Research board
- European Association of Endoscopic Surgery (EAES), Publication Committee
- French National Council of the Universities (CNU, member)
- Fédération Française de Cancérologie Digestive (FFCD), member
- Association Française de Chirurgie (AFC), scientific board
- Société Française de Chirurgie Digestive (SFCD)
- Société Nationale Française de Colo-Proctologie (SNFCP)

### Educational activity

- Expert at the European Institute of Telesurgery: advanced course of laparoscopic colorectal surgery (IRCAD) Strasbourg, France
- Director of the Laparoscopic TME course, University of Bordeaux, France
- European School for Cancer (EFEC), Paris
- Director of the French Guidelines for rectal cancer, 2005-2008
- Reviewer for Ann Surg, Dis Colon Rectum, Ann Surg Oncol, Br J Surg, Colorectal Dis.

### Research

- Founder and past President of the French group of research for rectal cancer (GRECCAR)
- Surgical technique innovations: intersphincteric resection, laparoscopy, organ preservation, management of tumor response
- Main investigator of the GRECCAR 2 (organ preservation), GRECCAR 5 (to drain or not to drain), GRECCAR 12 (optimization of neoadjuvant therapy) trials in rectal cancer.

**Main Topics:** Rectal cancer, ultralow conservative surgery, laparoscopic TME, organ preservation after chemoradiation

**Surgical activity:**

- Colorectal surgery
- Colorectal cancer
- Pelvic floor disorders and faecal incontinence
- Inflammatory bowel disease

**Scientific production:**

- 82 publications
- 450 conferences: half in Europe, Asia or US.
- European leader recognized in surgical treatment of rectal cancer

**Main scientific publications in the last 10 years:**

1. Rullier E, Laurent C, Bretagnol F, Rullier A, Vendrely V, Zerbib F. Sphincter-saving resection for all rectal carcinomas: the end of the 2-cm distal rules. *Ann Surg* 2005;241:465-9.
2. Rullier E, Sebag-Montefiore D. Sphincter saving is the primary objective for local treatment of cancer of the lower rectum. *Lancet Oncol* 2006;7:769-71.
3. Laurent C, Leblanc F, Wütrich P, Scheffler M, Rullier E. Laparoscopic versus open surgery for rectal cancer: long term oncologic results. *Ann Surg* 2009;250:54-61.
4. Bretagnol F, Panis Y, Rullier E, et al. Rectal cancer surgery with or without bowel preparation: The French GRECCAR III multicenter single-blinded randomized trial. *Ann Surg* 2010;252:863-8.
5. Rullier E, Denost Q, Vendrely V, Rullier A, Laurent C. Low Rectal cancer: Classification and Standardization of Surgery. *Dis Colon Rectum* 2013;56:560-567.
6. Denost Q, Adam JP, Rullier A, MD, Buscail E, Laurent C, Rullier E. Perineal transanal approach: a new standard for laparoscopic sphincter-saving resection in low rectal cancer, a randomized trial. *Ann Surg* 2014; 260:993-9.
7. Denost Q, Adam JP, Pontallier A, Celerier B, Laurent C, Rullier E. Laparoscopic total mesorectal excision with coloanal anastomosis for rectal cancer. *Ann Surg* 2015;261:138-43.
8. Morino M, Risio M, Bach S, Beets-Tan R, Bujko K, Panis Y, Quirke P, Rembacken B, Rullier E, Saito Y, Young-Fadok T, Allaix ME. Early rectal cancer: the European Association for Endoscopic Surgery (EAES) clinical consensus conference. *Surg Endosc*. 2015;29:755-73.
9. Rullier E. Transanal Mesorectal Excision: The New Challenge in Rectal Cancer. *Dis Colon Rectum* 2015;58:621-2.
10. Pontallier A, Denost Q, Van Geluwe B, Adam JP, Celerier B, Rullier E. Potential sexual function improvement by using transanal mesorectal approach for laparoscopic low rectal cancer excision. *Surg Endosc* 2016 Mar 4. [Epub ahead of print]
