

Suk-Hwan Lee. M.D. Ph.D.

Professor of Surgery

Department of Surgery, Kyung Hee University Hospital at Gangdong,

Kyung Hee University School of Medicine.

Prof. Suk-Hwan Lee is the Professor of Surgery at Kyung Hee University Hospital at Gangdong which is a newly built hospital at south-east of Seoul. He served as the first Chief of the Department of Surgery at Kyung Hee University hospital at Gandgong from March 2006 to Nov. 2012. He had a residency training from 1989 to 1994 at Kyung Hee University hospital, followed by the surgical fellowship from 1997-1999 at the same hospital. From Jan. 2000 to August 2001, he had undergone post-doctoral fellowship at the University of Minnesota. His research interest was colorectal carcinogenesis based on the microsatellite instability.

Prof. Lee's clinical practice is focused on the colorectal disease especially laparoscopic colorectal cancer surgery and chemotherapy of advanced colorectal cancer. He is performing prospective trials concerning the feasibility of single port laparoscopic colorectal surgery, now. He is the leading member of the clinical trials in Korea in the field of colorectal cancer.

He served as a Secretary General of the Korean Society of Endoscopic and Laparoscopic Surgeons (KSELS) two times (from 2004-2006, from 2012-2014) and Korean Society of Coloproctology (from 2008-2010) as well. Now, he is the editor-in chief of the Journal of Minimal invasive Surgery(<http://e-jmis.org>) and also the Committee Chair of the Public relation and Advertisement Committee of the Korean Society of Coloproctology.

He has been also a Member of the Korean Colorectal Cancer Guideline Committee since 2010. He is the member of numerous international society such as EAES, ESCP, ELSA and ASCRS. He also served as an editorial member of many international and domestic journals such as JKMS, JACS, Asian Journal of Surgery and Disease of the Colon and Rectum.
